

## American Pro Workshop Modular System in Red

Model No. APMS80COMBO1

Supplied flat packed, Sealey's NEW red and black range of units provide a number of ways to create your perfect work area in a durable metal finish. The modular design enables easy upgrading and bespoke configurations. Standard features include ball bearing slides on the drawers and metal handles and pulls. Cabinets are supplied with a lock and two keys, adjustable shelves, worktop and integrated perforated peg boards in each door, which is ideal for tool storage. Back panels are supplied with four masonry fixings which allow the panel to be mounted to a wall. There are three package deals available which will save you up to 10% on the price of the individual units.

For further details or to view Sealey's range visit [www.sealey.co.uk](http://www.sealey.co.uk) or alternatively call our Customer Service Department on 01284 757500.
