

## Imperial & Whitworth Tools

Just a fraction of their range - Sealey have you covered - whatever your requirements...

Siegen Tools by Sealey - Designed for light trade or DIY use.

The Premier Range - Suitable for daily professional use.

### S0976 – Siegen Combination Spanner Set 8pc Stubby Imperial

The Siegen 8 piece stubby imperial combination spanners are constructed from drop-forged chrome vanadium steel. They are hardened, tempered and nickel chrome plated for corrosion resistance with a fully polished mirror finish. The open end and twelve-point WallDrive® ring combinations are supplied in storage/carry rack.

## S0870 – Siegen Combination Spanner Set 8pc Whitworth

Sealey's chrome vanadium steel 8 piece imperial combination ratchet spanner set has 72-tooth ratchet ring and gear sets which require only 5° rotation to pick up next ratchet tooth. They are ideal for applications where space is limited and are supplied in a storage rack.

## S01063 – Siegen Combination Spanner Set 33pc Imperial/ Metric

This mighty useful 33 piece set of combination spanners from Sealey is made from drop-forged chrome vanadium steel. S01063 is conveniently hardened, tempered and nickel chrome plated for corrosion resistance with a fully polished mirror finish. The set consists of open end and 12-point WallDrive® ring combinations.

## **AK2672 – Premier Socket Set 11pc 3/8”Sq Drive 12pt WallDrive® Imperial**

Sealey's Premier 11 piece 3/8”Sq Drive chrome vanadium steel socket set has carefully selected sizes. All hardened and tempered with a chrome finish for corrosion resistance. The sockets include WallDrive® configuration which gives an additional 30% more torque handling power than traditional sockets. They handle rounded fixings as well and are supplied on a socket rail.

## **AK2743 – Premier Socket Set 11pc 3/8”Sq Drive Deep Lock-On™ 6pt Imperial**

The AK2743 Premier range 11 piece 3/8”Sq drive deep lock-on socket set is manufactured from hardened and tempered high grade chrome vanadium 6142 steel. They have a fully polished mirror finish for resistance to corrosion and include knurled rings for extra grip with oily fingers. The lock-on range feature specially machined flutes in the walls of the socket which enable use on up to 85% rounded fasteners. This not only provides added strength but also prevents damage to worn or rusted fixings. Supplied on a socket rail.

## AK2676 – Premier Socket Set 7pc 3/8”Sq Drive Whitworth

The Sealey Premier range AK2676 7 piece 3/8”Sq Drive Whitworth socket set is manufactured from hardened and tempered chrome vanadium steel with a fully polished mirror finish for resistance to corrosion. AK2676 are supplied on a socket rail.

## AK2676 – Premier Socket Set 7pc 3/8”Sq Drive Whitworth

The Sealey Premier range AK2676 7 piece 3/8”Sq Drive Whitworth socket set is manufactured from hardened and tempered chrome vanadium steel with a fully polished mirror finish for resistance to corrosion. AK2676 are supplied on a socket rail.

## AK3028BSW - Tap & Die Set 28pc Split Dies Imperial BSW

Sealey's AK3028BSW is a 28 piece British Standard Whitworth (BSW) high quality steel taps and dies set. The set consists of split dies with machined lead-ins and the die holder features a self-centring mechanism for straight and accurate thread cutting. Also includes taper & plug in each size, tap wrench, T-bar tap wrench, die holder, thread gauge and is supplied in storage case.

Did you know that all Sealey Hand Tools come with a Lifetime Guarantee?

\*Their no quibble guarantee covers individual items within sets. Excludes TRX-Star\* T40 bits, breaker bar knuckles, drill bits, cutting blades and taps & dies. Repair kits will be sent out for most ratchet wrenches.
